

MANUAL ACTIVATION INSTRUCTIONS

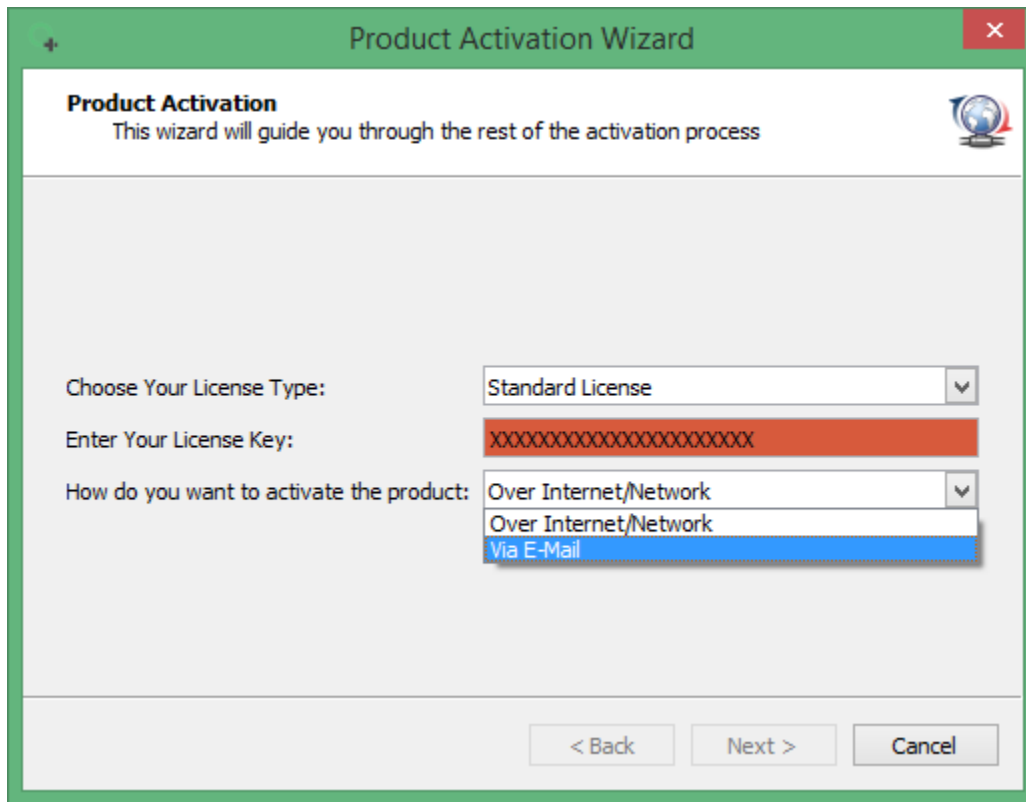

iMindQ® - Desktop – Manual activation instructions

NOTE: In order to successfully activate your iMindQ® - Desktop, you will need to have read/write privileges on the registry. We recommend you to have Administrator privileges.

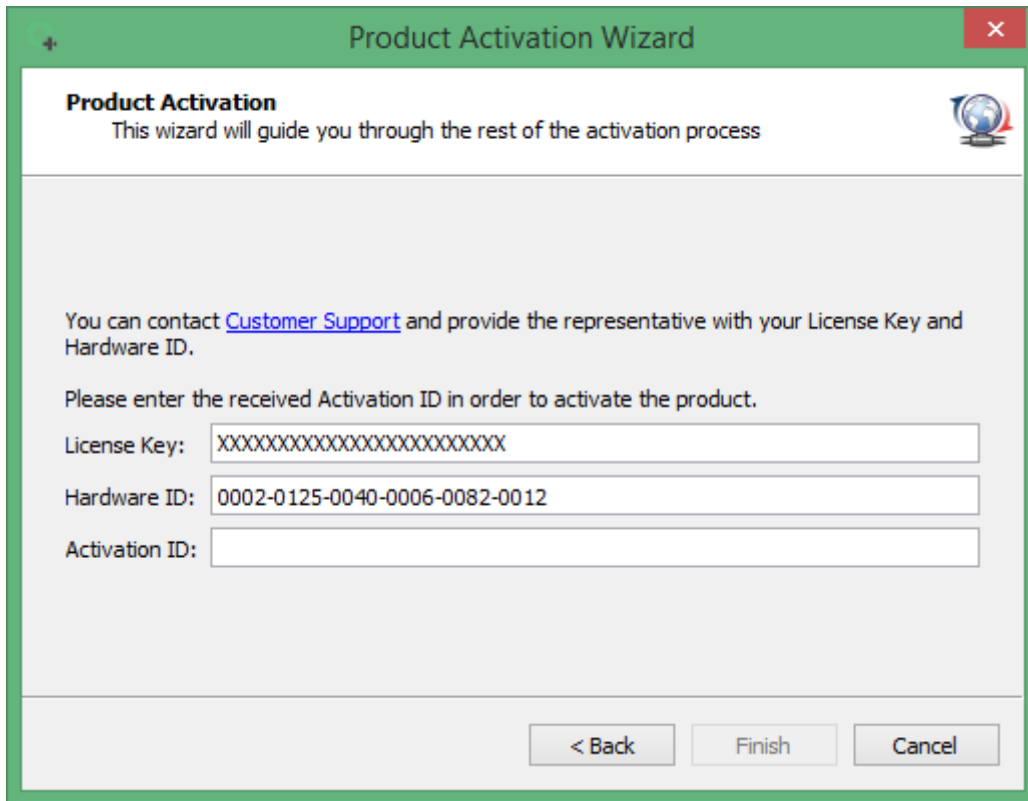

PLEASE FOLLOW THE INSTRUCTION STEPS BELOW:

- 1) After the Activation dialog appears, please enter your **License Key**, choose to activate **Via E-Mail** (or **By Phone** – for older versions of iMindQ® - Desktop) and click **Next**:

- 2) Copy the **License Key** and your **Hardware ID** and send them to iMindQ® Support via e-mail at support@imindq.com.

Note: If you own an older License Key that requires **Username** and **Password**, please send these authentication details as well.

- 3) Once iMindQ® Support receive your request, their representative will generate your **Activation ID** and send it back to you.

After you enter your **Activation ID** in the appropriate field and clicking **Finish**, your iMindQ® Desktop will be activated.
